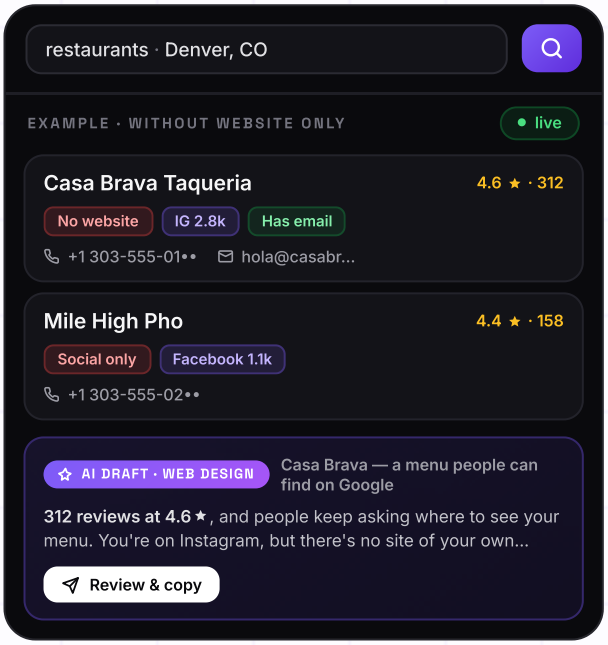
FOR WEB DESIGNERS · AGENCIES

Find local businesses with no website — and be the first to call.

Type a niche and a city and turn on **"WITHOUT website only"**. Leadomos checks public listings live and gives you the businesses that still have no site of their own, with the **phone and email they publish**, their socials and their reviews.

- **1 click** to keep only businesses with no website
- **4 states** of website: working, broken, social only, none
- **50** free credits when you sign up, no card
- **~1 min** what a live search usually takes

Data from the businesses' own public listings and pages, never guessed. Any business can opt out at leadomos.com/remove.



Signs a business needs a website

on every lead, depending on your plan

- No website
- Broken website
- Social-only presence
- Rating & review count
- Reviews by keyword
- Instagram followers
- Facebook page
- Opening hours
- Business photos
- Phone it publishes
- Email it publishes
- Category & services

Your pipeline is the businesses with no website. Leadomos finds them:

Website status on every lead
Working, broken, social only or none: you know before you call.

One filter, the right list
"WITHOUT website only" plus a minimum rating: established businesses with no site.

A first message about their site
Pick "Web design" and, from the Pro plan, the AI draft mentions what their listing lacks.

Pay only for what's found
You see the maximum before you search; whatever isn't obtained goes back to your balance.

Your next website client, one search away.

HOW WEB DESIGNERS USE IT

From a search to a signed website project

Find the businesses that need a site, show up with something specific to say and keep your list tidy.

1 Search with the filter
"Restaurants in Denver" + "WITHOUT website only", with a minimum rating.

2 Pick Active Outreach
Contacts from their listing and socials, plus a draft that mentions what's missing (Pro).

3 Call or write, your way
With the phone and email they publish. Lead with an idea for their site, not a generic pitch.

01 · FIND
The right businesses

- WITHOUT or WITH website only
- Minimum rating, closed left out
- Categories: "vegan", "family"
- Up to 100 businesses per search

02 · SIGNS
Why they need you

- Website status: working, broken, none
- Social-only, with follower counts
- Reviews by keyword: "menu" (Pro)
- Photos to see their style (Pro)

FROM THE PRO PLAN

03 · AI
About their site

- "Optimize for: Web design" setting
- Mentions what their listing lacks
- Email with subject line + WhatsApp
- Always a draft: you review and send

04 · CONTACT
Reach the owner

- The phone and email they publish
- Instagram, Facebook and TikTok links
- Opening hours, to call at the right time
- Address and Google Maps link

05 · PIPELINE
Stay organised

- Export to CSV for your CRM
- Favorites and saved searches
- Your exclusion list (current clients)
- Never pay twice for a business

A small-business website sells for **$600–$2,000**. **One signed project** covers **a lot of searching**.
